

78B-15-504 Report of genetic testing.

- (1) A report of genetic testing must be in a record and signed under penalty of perjury by a designee of the testing laboratory. A report made under the requirements of this part is self-authenticating.
- (2) Documentation from the testing laboratory of the following information is sufficient to establish a reliable chain of custody that allows the results of genetic testing to be admissible without testimony:
 - (a) the names and photographs of the individuals whose specimens have been taken;
 - (b) the names of the individuals who collected the specimens;
 - (c) the places and dates the specimens were collected;
 - (d) the names of the individuals who received the specimens in the testing laboratory;
 - (e) the dates the specimens were received; and
 - (f) the finger prints of the individuals whose specimens have been taken.
